Pre-Alpha I Goals

Enemies

Systems	s		
~	· _		
	~	Movement speed	
	~	Hidden? (bool)	
	~	Immune to magic? (bool)	
	~	Immune to physical ? (bool)	
		Current "level" (representation of enemy "strength"; i.e. 3 for green balloon, 2 for blue balloon, 1 for red balloon, etc.	
~	Basic in	mplementation of base enemy, base + 1 enemy, base + 2 enemy	
• Balance	•		
✓	Base enemy should be set to 1 health (dies in 1 hit)		
	Modify currency so that it is provided on "pop", rather than on "death" (1 coin per pop)		
• Art			
~	Base enemy draft artwork		
✓	Base enemy death animation		
~	Enemy strength evolution draft artwork		
• Audio			
~	First draft of "popping" SFX		
• Design			
✓	In-deptl	h first draft design documentation of enemy levels (red->blue->green->>MOABS, etc.)	

Towers

- Systems
 - ✓ Modify base tower to include fields for:
 - Shooting speed
 - ▼ Shooting pierce
 - Shooting range
 - Shot persistence
 - ▼ Toggle for **physical** vs **magic** damage
 - ▼ Toggle for whether it can detect hidden enemies
 - Basic implementation of single shooter + area of effect shooter
- Balance
 - Cannot overlap towers (each tower takes a bit of space)
- Art
 - Single shooter draft artwork
 - Single shooter draft animation
 - Area of effect shooter draft artwork
 - Area of effect shooter draft animation
- Quality of Life
 - Ability to drag and drop towers from UI to map
 - Can view tower range while dragging and dropping
- Design
 - In-depth first draft design documentation of upgrade path(s) for single shooter and area of effect shooter

Levels

• Design

- Draft design of first "easy" level
- Art
 - ☑ Draft artwork/moodboard for first "easy" level
- Audio
 - ☑ Draft background music for first level

UI/UX

- Systems
 - Pause/settings menu
 - Save system (stretch goal)
- Design & Art
 - ✓ Draft design of user interface (can be close to a 1:1 of Bloons interface)
- Audio
 - ☑ Draft background music for main menu
 - □ Draft SFX for button clicking

Narrative

- Narrative synopsis
- ✓ Visual novel type system that can be placed between levels
- Draft character art (stretch goal)
